“ The Warren Family were neighbors of my family on Goodrich Avenue in Fort Plain NY many years ago. Anthony was in between my brother David and I when attending school there. My husband attended St Paul's Lutheran Church there where Anthony's father was the Pastor. We extend our sympathy to his family at this time. In prayer, Sharon Briggs Fredericks on behalf of the Briggs family

“ Oh daddy .... I wish there was more I could to show and celebrate tour life and all you've done for so many. You were my rock. You were the best father I could have ever asked for and never had to be. As a probation officer for 28 years you changed so many peoples lives. Including mine. Even after you retired you spent all your time helping those suffering with addiction. All this while battling cancer for 20 years.... you daddy are my hero. I'm so glad I could be with you when you left us. I hope you know how much you were truly loved. I was so blessed to have had you in me and my children's lives. You will forever be with us daddy. Aka pop pop. Butterfly kisses

“ Anthony you were so loved by your niece and nephews. Jarrod was named in your honor. Although many miles have separated us for all these years you have held a special place in our hearts. Our yearly trek home to New York just wasn't enough time, ever. We should have called more than we did but you were often on our hearts, in our minds and our prayers. I have cherished the few pictures we have of you. So glad I made you take them even when no one wanted to or were in a hurry to leave, They mean more now than ever, When Bree our dog got ill this winter you didn't hesitate to lend a helping hand and order a harness for her. Your kindness and caring will live on in our hearts and thoughts. Your contagious smile will always be remembered. I hope your up in heaven rockin' to your favorite tunes. Hope they play the "Who" in heaven. There are so many memories that have flooded my mind in the last few days. Cherished, Sweet Memories. You are so loved and missed. I just pray you knew how much you meant to me and the kids and were loved by us all. Life will go on, we hope to make another yearly trip to New York this summer. The family barbeque won't be the same without you. Love and miss you forever. Roxanne
