“ My Grandma was the the best Grandmother a girl could ask for. She was the sweetest and kindest woman I've ever met. She was extremely loved by both me and my sister Amanda. I wouldn't be the woman I am today if it wasn't for my Grandma. I got my style, looks and love of the color black from my Grandma. I also have inherited her big heart and compassion for others. Grandma, I promise to carry your spirit with me everyday and I will love you forever.

Love always your Granddaughter and BFF,
Shanna ♥

“ Aunt Carol was wonderful Aunt! We have so many wonderful memories of her. We remember spending so many thanksgiving, and Christmas Holidays, family picnics and family weddings together. We will treasure all those wonderful memories. She was always so much fun to be with and laugh with. Rest In Peace, we love you! Noreen, Robin, Shanna & Amanda and family, I know you will all miss her so much, but remember all moms just want to know that when they leave this world, their children will be ok. So Take care of yourselves, and live your best life, that is what she would want for you. Love you all, Dana, Darla, Dan, Ron, Donald & Danny xo
