

## Mr. Franklin Marvin Mann

April 21, 1933 - July 5, 2019

During the Great Depression, someone was born with a vitality to overcome any challenge, any difficulty, and any adversity. On April 21, 1933 a life of strength, love, and service was born. Franklin Marvin Mann was born and the world was forever changed. On March 5th, 1951 he joined the U.S. Army and served his country as an Airborne Infantryman and served faithfully for three years. Upon his return, Franklin served the State of New York as a counselor and officer for the Annex of State Training and School for Boys, an institution for the at-risk youth for New York State.

Franklin served his family, church, and community faithfully his entire life. As a Mann of strength and discipline, he taught everyone around him lessons that the current world should not lightly forget. That strength itself is not corruption, but when used correctly can build-up, protect, sustain, and protect others during any trial. That love, compassion, and kindness is not a weakness, but a way of life...the only correct way of life. The light of Christ shown through him and illuminated all around him. He witnessed the rise and fall of dictatorships, the wave of freedom across the planet, the life of Martin Luther King Jr., and the Presidency of Barack Obama.

A true servant, a Deacon of his church, a man who never gave up on family, and a true hero passed away and went on to be with his Lord and Savior on July 2nd, 2019. He is survived by his wife of over 60 years, Esther Mann, his son, his five grandchildren, and seven great grandchildren.
